Please note: All items must be 'carried' into the Repair Cafe by the customer. The idea is, where possible, for the customer to watch and learn whilst the item is being fixed to promote skill sharing. Some items may not be fixable on-site and may take time to repair offsite. When required please complete a form to give your permission for this to happen. Additionally you may need to purchase items (eg. zips, batteries etc.) required for the repair, cost to be discussed with our Volunteer Repairers. We will not accept any liability for damage, fault or breakages of any items during repair.

Could you spare a little time helping your community?

Would you like to support our local services, activities and events? Lots of local groups are looking for volunteer support.

We would love to hear from you if you have time to volunteer!
