Application for funding for
Outdoor Tables for Village Events

Reason for a Joint Application

These three organisations in Feock all require tables that can be used outdoors or under cover in tents for village events.

Those previously used are no longer accessible to us.

We have storage space for new tables.

The new tables will be available for other events in the village.

- Needed are:
 - 8 6ft folding tables @ £45 each, total £360
 - 4 4ft tables @ £40 each, total £160
- Grand total £520

Amount applied for: £400

Tables are similar to those recently purchased by Devoran Village Hall

As the total required is greater than £400, the three organisations will need to raise the extra £120 .

- Over 200 people from all over the parish belong to one or more of the organisations and attend events.
- We hope to bring the community together through our events,

Who will benefit locally?

- A young winner!

And encourage the next generation to join in
